
I want to save £300 million for NHS

Helping NHS - the way it wants to be helped

Dear Dr	<p>I would like to receive NHS eRD prescriptions instead of requesting the same prescriptions every month</p> <p>Please issue eRD Prescriptions for as many medicines as possible, until my next review.</p> <p>Where possible, please make it monthly prescriptions and send them to my preferred chemist.</p> <p>When I reach my last eRD I will approach you to book a review which will also be a great help to you.</p> <p>Full information on NHS eRD is available on NHS website https://www.nhsbsa.nhs.uk/</p> <p>I leave you with my details</p> <p>Sincerely</p> <p><u>Singed</u></p>
